7. Bring home candy to be inspected by an adult before eating treats
8. Be visible! Take a flashlight and glowsticks with you
9. At night wear reflective tape or clothing
10. Eat well before trick or treating so you don't fill up on just candy
11. Plan your route and a safe way home
12. Don't throw eggs or destroy others property
13. When buying Halloween makeup, make sure it is nontoxic and always test it in a small area first
